Dear Parents and Carers,

As you will see from the summary there are many positive statements and I know that we are taking steps to address those concerns where there are significant “don’t know” or disagree responses.

As the responses are anonymous I would advise anyone who has a concern to make themselves known. Hopefully we can resolve the issue for you.

If your concern relates directly to matters in your child’s class, the first place to go is the class teacher. If you are not comfortable with that outcome ask to speak with the phase leader: - Miss Dienel, Mr Tognarelli, Mrs Boylan or Mrs Bowen. If the matter is still an issue you can ask to speak with me, Mrs Miller (Deputy Head) or Mrs Waller (Assistant Head) who can also arrange for you to meet Mrs Tuck our SENCO.

Yours sincerely,
