Parent Consultations

16th October 2017

Dear Parents & Carers

We are all looking forward to welcoming you to our parent consultations this week.

Thank you for your feedback and patience with our new online system. Mrs Coates has found this extremely helpful to ensure that you all have appointments. It has also ensured that we haven't had overlaps of appointments in different year groups.

During the consultation evenings we will be opening the school hall to support you even further. Please try to make time to pop in. You will have access to the following:

- **Governors** – after half term we will be looking to elect a parent Governor so please visit our Governance table to find out more about this important role.
- **Maths & English** – there will be a range of resources for you to take away to help you further support your child at home.
- **SEN** – Mrs Tuck & Mrs Waller will be available for you to either ask questions or book a follow up appointment if you would like one.
- **Lost Property** – we already have a number of items of lost property so please pop by if your child is missing anything.
- **Parent View** – We feel it is always important to hear your opinions on a variety of things. Please visit the parent view table where you will be given an opportunity to share your thoughts & ideas.
- **PTFA** – There will be tea & coffee available from our PTFA. Please feel free to ask them more about the PTFA and how they support our school so well.

I look forward to seeing you all during the week.

Yours sincerely

Mrs Miller
