24th February 2017

Dear Parents and Carers,

You will be aware from our Governors update letter that I have taken the decision to step down from Headship at the end of this academic year.

It is with very mixed feelings that I have taken this step and it will not be without regret. The stewardship of a school such as Wheatcroft is a significant responsibility but also a great privilege. Wheatcroft is a good school and has a great community. I have thoroughly enjoyed my 25 years as a Head teacher and in particular working here with excellent colleagues, inspirational children and some fantastic families. I will very much miss being an active part of the life of the school.

I have reached the stage where I should pass the challenges on to a new leader, confident that the staff team here will continue to do a good job for our children. I know you will continue to support them and work with us. I look forward to meeting and working with you over the next few months to continue the next steps in Wheatcroft's journey.

I know the Governors will take great pains to ensure that Wheatcroft's next Head teacher preserves the elements you value whilst taking the school forward, I wish them well in this process and will do anything I can to make the transition a smooth one.

Yours sincerely,

Head Teacher
