Friday 6<sup>th</sup> October

Dear Parents & Carers,

Many of you may be aware that there was an incident on the Ware Road this morning involving one of our Year 2 pupils. I have spoken with the family and am relieved to be able to tell you that he sustained only minor injuries. The hospital are monitoring him today and he should be home later this evening.

Can I take this opportunity to thank everyone who helped to support the family this morning.

An assembly was held today to reassure the children. We have also had a visit from the local police community support officers to reinforce the importance of road safety. They even brought their patrol car onto the playground to lighten the mood for the children. The officers stayed over lunch time giving the children an opportunity to speak with them or ask them any questions.

As this happened on the way to school, some children may have witnessed parts of the incident. We have supported the children in school today, however some of them may continue to become upset when they return home. If this is the case, please support them by listening and reassuring them. If you have any concerns please contact their class teacher.

Yours Sincerely

*Mrs Miller*

Mrs Miller  
Headteacher
