Dear Parents

We would like to invite you along to a science themed stay and play to support science week which is approaching soon. We will have a range of hands on activities with a science focus for your child to explore with you and hope you will have great fun joining us.

We will be holding three sessions on Tuesday 14th, Wednesday 15th and Thursday 16th March from 8:45 - 9:45am.

If your child attends more than one of these sessions, you will only need to attend once. If you are unable to come along, please let a member of Nursery staff aware so that we can ensure your child is fully supported in the session.

We look forward to seeing you!

The Nursery team
