Week Ending: 12th May 2017

### What we have been up to

#### UKS2

Year 6 have been enjoying plenty of brain fuel at Breakfast Club to support them in their exams this week. Good luck to all!

#### LKS2

We have been taking part in workshops on Healthy eating & exercise. It has been really interesting to learn about vitamins & diet with Mrs Bamidele, who comes in especially to teach us!

#### KS1

The children have been exploring how long sounds last. They tried different instruments and measured the length of time the sound of each lasted. They then put the instruments in sound length order.

#### Foundation

For our 'Travel & Transport' topic Nursery went on a train journey to St Margarets. The children have since enjoyed looking at lots of different types of transport. It also gave them some fantastic ideas for their train station role-play area.

### Extra Curricular

The school has been quiet in the mornings due to assessments this week, well done to all the children and staff for all your hard work!

Thank you for bringing in your **Sainsbury's Active Kids Vouchers**, please continue to bring these as soon as possible so we can make good use of them!
