

Wheatcroft Primary School  
**News Bulletin**  
 Week Ending: 25th May 2017

**What we have been up to**

**UKS2**

In maths, Year 6 took part in a probability workshop. They thought about game tactics and how to make them fairer or meaner!

**LKS2**

This week we have put a lot of work into preparing our assembly about our camping trip, reflecting on our experiences, and writing recounts about it.

**KS1**

In Maths we have been exploring symmetry. We made symmetrical patterns using materials we found in the forest school.

**Foundation**

This week we have enjoyed matching numeral to quantity in forest school. We picked a number and found that amount of natural objects.

**Extra Curricular**

The inauguration of the new **Mayor of Hertford** took place on Monday in the unusual but traditional **silent ceremony** at Hertford Castle. Mr Skinner and Mrs August attended along with some of our children from UKS2.

Thank you for your understanding regarding the **swarm of bees** on the playground, these have now been safely rehomed elsewhere.
