

Wheatcroft Primary School

## News Bulletin

Week Ending: 30th June 2017

### What we have been up to

#### UKS2

Year 5 have been enjoying their John Muir project, where they have planned a conservation project in between avoiding the rain!

#### LKS2

We have created our own Henry Moore sculptures. Year 3/4 spent a long time planning, and used Henry Moore's ideas, and deliberate ambiguity of form, to make our sculptures interesting. It was great fun!

#### KS1

In Music we have been exploring duration. We have used our voices and instruments to explore the ways in which we can make sounds longer and shorter.

#### Foundation

In Reception, our topic for the next two weeks is space. We are making planets by covering balloons with paper mache and when they're dry, we're going to paint them.

### Extra Curricular

**The KS2 Sports** day took place on Thursday this week in spite of the earlier wet weather. Some excellent sporting achievements were demonstrated by many. The Red Team were the overall winners once the scores were combined from both the KS1 & KS2 sports days.

**UKS2** are busy rehearsing for their **end of term performances**. Slips have now gone home confirming costume requirements for each child. Please send these in as soon as possible and get in touch if you need any help with this.

**KS1** are collecting boxes and craft materials in preparation for Rainforest Day 12th July

### Coming Up...

**Our School Councillors and Green Bees** are looking forward to a trip to Go Ape for their end of term treat Monday 3rd July.

**All Y1** are visiting **Whipsnade Zoo Tuesday 4th July**.

**District Sports** has now been rescheduled to Thursday 6th July, new permissions slips have been sent home for return by Monday 3rd please.

The **PTFA Summer Fete** takes place Friday **7th July**. All donations are now welcome in the school and please consider sparing half an hour to help on a stall or to helping with the set-up or clear-up at the end of the night, thank you.
