

Welcome back to the new term! I hope you all had a fun summer holiday. It is lovely to see so many smiling faces and smartly dressed children ready to learn this year.

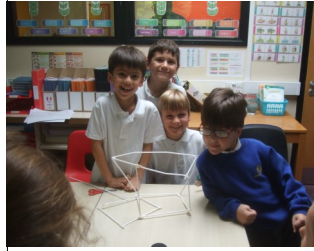

What we have been up to

UKS2

We have started our music lessons this week and enjoyed performing the piece we learned in a round.

LKS2

We have enjoyed a week of Inspirational Maths, and have had great fun making 3D shapes out of straws.

KS1

We have been exploring how to solve a range of problems in Maths. We sorted emoji faces into two or three groups and compared the results between each group. It was so much fun!

Foundation

The children have settled in really well. This week we have been looking at the story 'Harry and the Dinosaurs go to School' and doing a range of dinosaur themed activities

Achievement Award Stars!

C1	Toby S	C3	Isabel H	C5	Ralphy A
C1/2	Taylor W	C3/4	Henry D-G	C5/6	Elliot C
