Dear Year 5 & 6 Parents

Cycle Training – week commencing 30 October 2017

We have arranged for the County’s Cycle Instructors to visit us on the above date to undertake combined Level 1 skills and Level 2 On-road training.

This will consist of 5 sessions on consecutive days which will include a session on cycle check and assessment of level 1 skills on the playground; then four sessions at local road junctions. There is preparation homework to be done. *Children should already be competent bike riders.* Successful participants will receive a Level 2 On Road Certificate. The cost of the assessment is £25 per pupil payable to Wheatcroft School.

If you would like your child to take part in this training, kindly complete and return the attached slip by Friday 29 September. Please note spaces are limited; therefore requests from Year 6 pupils will be given priority. For those that are successful or already hold the level 2 award we hope to be able to offer a Level 3 skills & Cycle to Secondary school course later in the year.

Yours sincerely
