## Personal, Social and Health Education – Year 6

Dear Year 6 Parents,

As part of our PHSE teaching, we will shortly be talking to the children about sex education and the changes they will experience during puberty. The sessions will consist of a series of short programmes and then a discussion split by gender, led by myself and Mrs Waller, where the children will have the opportunity to submit questions anonymously.

We are giving you the opportunity to see the DVD before the children do, on Tuesday 4<sup>th</sup> July at 9am or on Wednesday 5<sup>th</sup> July after school; the session will last approximately an hour. For those parents with older siblings, the materials are the same as the previous three years, so although you are welcome to attend, our approach has not differed from previous years. Please indicate on the reply slip below if you would like to come into school to watch the DVD.

I would also like to remind you that you have the right to withdraw your child from these sessions, but if you wish to do so please let me know in writing.

Yours sincerely,

Miss Dienel
