

### Art & Design, Design and Technology and Music

Our Design and Technology topic will fit in nicely with our Humanities topic as we will be making Punch and Judy puppets. In Music we will be exploring Sea Shanties and looking at pitch. In the second half of term we will be listening to Carnival of the Animals.

In Art we will be exploring patterns in nature and making prints of natural objects in clay.

### Maths

This term we continue to cover addition, subtraction, multiplication and division. We will use the knowledge we already have to help us solve one and two step problems. We will continue to develop mental calculation strategies and think about how we can use these to help us solve problems.

### Geography and History

This term we will find out about how the seaside has changed in past generations. We will be learning about the different features in our local environment and compare these to features found at the seaside; thinking about both the human and physical elements. The children will be going to Southend to explore the seaside first hand.

### PE

In PE this term we will be preparing for sports day. We will be practising a range of athletic based skills including running, javelin, speed bounce, hurdles as well as dribbling a football. We will also be learning how to strike a ball through games such as rounders and tennis.

### PSHE & RE

In **RE** this term we will be exploring Judaism and the special relationship Jews have with God. As well as exploring how they show their commitment to God and the ceremonies they have to celebrate this relationship.

In **PSHE**, we will be thinking about relationships, considering why they are important and why we need these people in our life. In the second half of term we will be looking at the importance of friendships, how to resolve conflicts and how to 'Be Kind' to our friends.

*Key stage 1*

*Summer 2018*

### ICT

This term we will be developing our skills in using ICT to develop our typing skills, word process, edit and save our work. We will also use digital images to retell stories and capture moments in time. Getting the chance to take our own photos and use them to create stories using the 2simple software.

### English

This term we will be looking at a range of writing styles such as recounts, information texts and poetry. We will be focusing on using a range of punctuation and independently editing our work to try to improve it. Key Authors will include Michael Rosen and Roald Dahl.

### Science

In Science we will be finding out about how plants and animals are suited to their habitats. We will look at how animals obtain their food from plants and other animals and how the habitat provides the basic needs for the animals in it. We will identify and name a variety of common animals and sort them into carnivores, herbivores and omnivores.
