

## Learning Platform Agreement for Pupils and Parents

Dear Parents and Carers,

In order to support the pupils' learning we use a range of online learning platforms. To enable us to use these, we will need to set pupils up with accounts on their behalf. Therefore, we would like to make you aware of the platforms that are used and the information needed to create the accounts.

To be entered into the different learning platform systems, a small amount of personal information will be added to that platform's database. Information that will be used is their full name, year group and a password set by the school; usernames are displayed in certain areas of some platform's websites. When your child leaves Wheatcroft, their information will be deleted.

To enable us to use G Suite (Google for education, e.g. Google classroom, docs, sheets, drive which are all used as part of our day-to-day teaching) effectively, your child's full name will be used but these sites (e.g. a class Google classroom page) can only be accessed by someone with a wheatcroft.education email (e.g. a teacher, teaching assistant or a member of our IT team) or a member of the Google staff.

We currently use the following platforms and their full privacy policy can be found on the company website; links to these can also be accessed on our school website and we will endeavour to keep these as up to date as possible.

- Spelling Shed (KS2)
- G Suite (Google Classroom – Reception to Yr6)
- Tapestry (Nursery and Reception)
- Times tables Rock Stars (Yr2 – Yr6)
- Espresso (Reception to Yr6)

### **Agreement**

I/we have discussed and read the information associated with the appropriate platforms for my child including the use of G Suite, Discovery Espresso, Spelling Shed, Times tables Rock Stars and Tapestry.

I/we also agree for our child's information to be used to create an account on a learning platform.

I/we also agree for my child to use the platform while they are enrolled at Wheatcroft Primary School.

I/we agree to follow the school Acceptable Use Policy while using the learning platforms.

I/we agree to use an avatar on our child's account and to not share any personal information on the platform.

Parent(s)/carer(s) signature(s) ..... Child's Name.....

Date .....
