Dear Parents & Carers

3rd March 2021

School Meals Provision

We are pleased to advise you that our Catering Provider, Herts Catering Ltd will be returning to providing School Meals to all children who wish to have one. For children in Reception, Year 1 and Year 2 this will be a Free School Meal. For children in Nursery and Key Stage 2 this will be a paid meal, with prices remaining unchanged for the remainder of this school year. To remind you, prices for a school meal are £2.35 for a Nursery child and £2.60 for a KS2 child. Meals must be paid for in advance.

From 8th March, we will revert to using Live Kitchen for ordering meals. This can be done in advance of your child coming in to school for the day either via the Live Kitchen App or on the website: live-kitchen.co.uk.
