Mrs Miller's Message

Sign of the week

Today in assembly we congratulated the children who have been nominated as our School Council, Green Bees and Class Ambassadors. Thank you to all the children who put themselves forward for these roles. I look forward to working together with them to ensure that pupil voice is a key part of our school development.

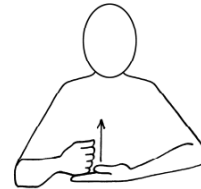

It has been lovely this week to welcome all of our Nursery children into school. I hope that you have found the transition into Wheatcroft a positive one and we look forward to sharing their progress with you at our parent consultations later in the term.

As we come to the end of our first full week we have some tired children (and staff) who have started our new school year off very well. I wish everyone a well-deserved rest this weekend and look forward to seeing you all again on Monday.

Thank you for supporting us with our school attendance this year which at the moment stands at 97%.
