

What we have been up to

UKS2

This week we have looked at the digital age in Britain. We took either the 1960s, 70s, or 80s and researched life during that decade. We then presented our findings to the rest of the class.

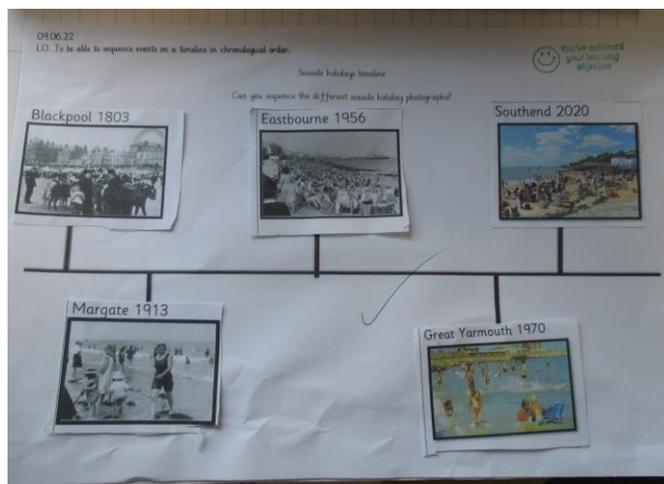

LKS2

In LKS2, each class had a workshop from 'Keep A Beat' to learn important first aid skills.

KS1

In Year 2, we have begun to look at seashores in the past. We enjoyed sharing our homework with each other, discussing holidays our family members have been on in the past. We then made a timeline of beaches in the past.

Foundation

We have loved talking about the Jubilee celebrations so much that we decided to make a natural portrait of the Queen in Forest school. Have a look at one of our portraits – this one has a crown and even a handbag with a marmalade sandwich in it!

Word of the week

EYFS: start **Y1:** possession **Y2:** treasure **Y3:** intimidated **Y4:** culminate **Y5:** exasperate **Y6:** mortified

Mrs Miller's Message

Today we welcome back our Year 6 cohort from their Norfolk journey where they have had great fun experiencing a wide range of activities both on and off the water. We look forward to hearing all about their adventures when they share them through their class assembly on Friday 17th June. A huge thank you goes to Mrs McLeod, Mr Marshall, Mrs Milson & Mr Apostolos for giving their time to support the children through the week.

I look forward to taking some of our year 5 children to the Ware Drill Hall next week to perform as part of the Hertford & Ware Music Festival. I have been extremely impressed with the effort they have put into learning the songs and words and look forward to sharing this with their families next Tuesday 14th June at 7pm.

We wish you all an enjoyable weekend.

Pupil Voice

This week we asked pupils about Art.

'I liked all the different patterns on the animals, plants and shells and I could choose which ones I liked the best for mine.'

'It was fun making and painting with so many different shades of a colour.'

'If I add small amounts to white to make them lighter and small amounts of black to make them darker, I can make so many colours.'

'I enjoyed the silhouette painting because it was interesting mixing colours to create a sunset.'

'I liked sketching the environment outside in our sketch books we did lots of shading to make shadows.'

'I enjoyed using the watercolours and mixing the colours together to create new colours.'
