What we have been up to

UKS2

UKS2 have been learning about St Martin in German. We have translated and ordered a story about him, listened to a song and are making lanterns, just like many German children may do!

KS1

Last week KS1 had fun celebrating castle day. The children got the chance to create their own family shield, learn about the Royal Family as well as learn some Tudor dancing. In the afternoon the children put their inventive skills to the test and created their own castle.

LKS2

Year 4 had a great afternoon building shelters in forest school. We learnt to tie knots and then had to use our new skills to build our shelters. After we had built them we played in our shelters.

Foundation

On Monday, Nursery children observed two minutes' silence for Armistice Day along with the rest of the school. In CIL, we made poppy paintings using apples, forks and a cork!

Word of the week

Learning at Wheatcroft

This week has been extremely busy ending today with our Autumn Celebration. The year 6 cohort supported by Miss Dienel and the staffing team, worked cooperatively to ensure there were sandwiches, cakes, raffle prizes, flower arrangements and much more to welcome our visitors from the community. Thank you to everyone who was able to donate and a huge thank you to the pupils and staff for working hard to organise such a special event.
