## Mrs Miller's Message

It was lovely to see so many of you at our parent consultations this week. Thank you for taking the time to come into the hall to speak with me and Mrs Adler, our Vice Chair of Governors. I hope that you were able to find some useful resources to help support your child at home. Thank you to those of you who took the time to give a member of staff a 'shout out', these messages always mean such a lot to them. Just in case you weren't able to visit our E-Safety table, I have attached guides to help support you in managing parent controls around your child's use of a device. Next half term brings more exciting activities such as World Book Day, a range of sporting events and our Lower Key Stage 2 Production! Please make sure you double check all the dates that were sent out at the beginning of the term. I hope that you all enjoy a relaxing half term with friends and family and have a wonderful week. We look forward to seeing you all again on Monday 26th February.

September 2024 sees the 50<sup>th</sup> anniversary of our school opening to its first pupils back in September 1974. In preparation for the festivities, which we plan to carry out next academic year, we will be setting up a working party during this academic year's summer term.

If you have great imagination, a special interest in the history of the school and some time to spare, we are looking for parents to join our working party alongside our staff to plan our 50 year celebration events. Please email the school office to let us know if you would like to be involved. Thank you
