Mrs Miller's Message

You can see from the amount of comments on our pupil and parent voice this week how much fun was had by all who took part in our 'Young Voices' event earlier this week. It was a truly amazing experience for the children and one that I am sure they will talk about for many years to come. Thank you to Mr Wackett & Mrs Hall for all their organisation to ensure we were able to take part and to Mrs Higgs, Miss Lambert, Mrs Palmer & Mrs Hall for accompanying us to the O2. Although the children and staff are all still tired from the late night, it was worth it and we were pleased to be able to give our children this great experience.

Parent Voice – Young Voices

*Thanks to Mr Wackett and everyone involved in the Young Voices concert for providing such an amazing opportunity for the children. A.. had a wonderful time, it was definitely an experience she will never forget. It was great fun for us grown-ups to watch too, what a great show! It must have been a very long day for all the support staff though so thank you all for giving up your time. It is much appreciated.

*I just wanted to say thank you to Mr Wackett and all the teachers that took all the children to the O2 last night. H.. and C.. absolutely loved it and we loved being there, the atmosphere was fantastic. Some lovely memories for everyone.
