

What we have been up to

UKS2

This week Year 5 went to the WWOdson Games at Wodson Park in Ware. We were coached in various different events linking to the Commonwealth games, such as: badminton, athletics, cheerleading and cricket. We spent the morning learning and practising our different events and then competed against other schools.

LKS2

Y3/4 had an excellent trip to Hertford Museum in the week. After, we played a fun whole class game of rounders!

KS1

In Year 2, we have been creating animations. We followed instructions to accurately make our sprite move back and forth across the screen. We had to choose the background and sprite, and then use the codes to create our animation.

Foundation

Reception visited Shepreth Wildlife Park on Thursday. The children and adults were very excited to be on a school trip. The children were amazing and listened, looked and behaved brilliantly. The red pandas and tarantula were the highlights – and of course the picnic!

Mrs Miller's Message

It was so lovely to welcome our families future, past and present to our summer festival. Finally bringing our community together was really important and we were so pleased that the PTFA were able to organise this. Our thanks go to all those involved on the PTFA and their commitment to the intense organisation that goes into these events.

As a school we have been super busy taking our children on a range of trips and activity days which have really helped to bring the curriculum to life for them. Thank you to all the parents who have been able to offer your support to enable these valuable experiences to happen. As you can see by our diary dates, we have plenty more happening over the next couple of weeks!

We wish you all a lovely weekend.

Pupil Voice

This week we asked Y1 about their trip to Southend.

I loved going into the aquarium and seeing the piranhas because they have sharp teeth. Alessio

I liked going on the train and seeing the sea out of the window. Evie

My favourite part was seeing the huge tortoise. Sarai

I loved going on the train. When we were on the pier you could look down and see the sea through the gaps. Mickey

I liked collecting shells on the beach. Millie

My favourite part was having ice cream. Lukas

I liked having lunch on the beach. Aoife

I liked going on the minibus because we got to sit with our friends. Frankie

I liked seeing the otters. Jackson

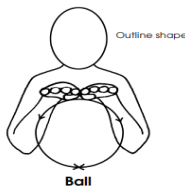

I liked having ice cream and seeing the sharks. Charlie

I liked throwing rocks into the sea. Georgia
