## Mrs Miller's Message

Welcome back to our children following our half term break; I hope that you have all enjoyed some quality time with family and friends.

The school was very active last week and we were pleased that the weather eased to ensure some of the outside work could be completed. The children have really enjoyed our new playground markings this week playing games such as 'Duck, Duck, Goose' and 'What's the time Mr Wolf'. They were also very pleased to have their slide back in action now that the steps have been repaired!

Today is a big day for our Year 6 children and I wish you all well as you receive notification of your secondary school allocations. As a school we would like to support you with this transition process and will be organising a meeting to help you support your child with Year 7 transition later this month. Information will be sent to you in due course.
