

Word of the week

EYFS: new Y1: discuss Y2: compliment Y3: hilarious Y4: typically Y5: simultaneously Y6: agitated

Notices

Ducks - I am sure you have heard about or seen all the commotion the ducks have created this week! You will be pleased to know that they have been taken to a new home. We look forward to our next brood in the spring.

MSAs needed – We are looking to appoint a friendly, kind, energetic & patient person to join our MSA team. If you have an enthusiasm for working with us to develop a positive environment at lunchtimes, please speak with Mrs Coates to complete an application form.

What we have been up to

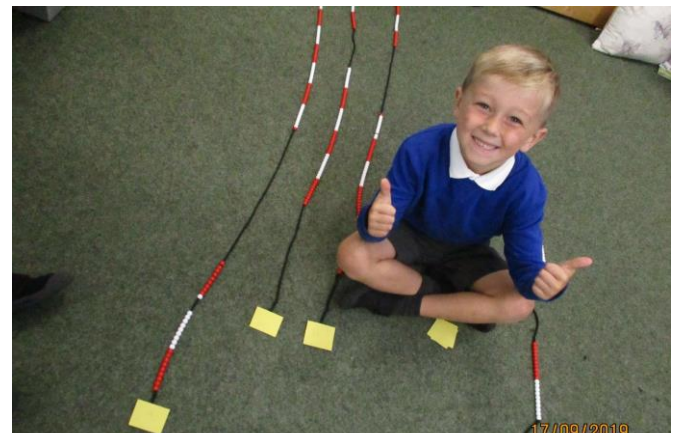

UKS2

Year 5/6 have been enjoying Hockey lessons in PE. They have been learning to dribble the ball with control and to pass accurately.

KS1

In KS1 we have been exploring how to make different numbers using a range of resources.

LKS2

In Year 3/4, we have had an exciting time reading 'The Day the Crayons Quit'. We completed some really fun activities, our favourite was a drama about the crayons' feelings.

Foundation

Nursery children are settling in well, making new friends and learning the routines of the classroom.
