News Bulletin
Week Ending: 21st May 2021

What we have been up to

UKS2

Year 6 enjoyed celebrating the end of the assessments with the traditional 'SATs breakfast'; they enjoyed a warm bacon or sausage roll, cereal and fruit.

Many thanks to Mrs Braddock for doing this for us!

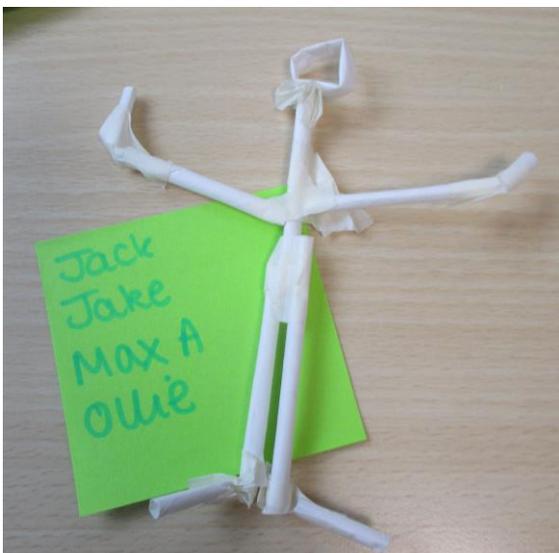

KS1

We have been working hard and creatively on designing a stamp for the Royal Mail competition. We have been inspired by the heroes who have helped us so much during the pandemic.

LKS2

In Year 3/4 we have been looking at tents. In groups, we measured Mrs Leishman and made models of her that were one-tenth her actual size. We found the head rather tricky as it is round!

Foundation

This week in Nursery we read the story Spinderella. We made our own spider paintings and used the tweezers to retrieve spiders from a big web.

Word of the week

EYFS: start **Y1:** possession **Y2:** treasure **Y3:** intimidated **Y4:** culminate **Y5:** exasperate **Y6:** mortified

Mrs Miller's Message

It has been a 'bright' end to our walk to school week with everyone wearing their 'be bright be seen' outfits. A good time to remind us all to be vigilant whilst walking to and from school particularly as the light evenings are becoming longer and our older children like to visit the park. Please help us to ensure their safety by asking them to always let you know where they are and making sure they have a way of contacting you.

Our Year 1 children are thoroughly enjoying their balanceability sessions; the sports team running the training have been extremely complimentary about the children's perseverance and great listening skills whilst completing the course. Well done.

We hope those who have signed up to the PTFA virtual disco this evening have a fabulous time!
 We wish you all a lovely weekend.

Pupil Voice

We asked Reception why it is important that we do PE. They said:

"To get strong."

"To be fit."

"To get the blood going around our bodies."

"To warm us up."

"So we can get bigger muscles."

"To get faster."

"Because it is good for you."

"We love it."

"Because it is fun."

"To be healthy."

Makaton Sign of the Week

This week's sign is the letter J!

Join in with our Sign of the Week. Make and share your own video using the hashtag #WeTalkMakaton.

Achievement Award Stars!

R1: Esme G

Y3/4: Rafael C-R
