

What we have been up to

UKS2

Year 6 have been enjoying an outdoor games afternoon. We played lots of different games to develop our team skills; crossing the toxic swamp was a particular favourite!

LKS2

In LKS2 we are starting whole class saxophone lessons. This is beginning in year 3/4 first and then moving onto the other classes later in the term.

KS1

In Science, Year 2 have talked about materials and their uses. We went outside to find how different materials are used in our school.

Foundation

Reception have been enjoying starting their day with busy fingers activities. Each day we try a new activity to build up our fine motor skills. This will help us with our drawing and writing.

Word of the week

EYFS: before Y1: describe Y2: experience Y3: expense Y4: vigorous Y5: strive Y6: fluctuate

Mrs Miller's Message

Today we welcome back our Year 5 children from their Bushcraft camping trip. I know that they are all feeling extremely tired after having a fabulous time. A very big thank you goes to Mrs Waller, Mr Marshall, Mrs Smart, Mrs Milson & Mr Adler for their support of the children. We look forward to sharing their adventures with you through an assembly next **Friday 30th September at 2:45pm.**

The autumn term is always a busy one with lots of events coming up; if you are able to help the school in any way and hold a current DBS please do speak with your class teacher or phase leader to let us know.

We wish you all a lovely weekend.

Pupil Voice

We asked EYFS children what they liked about school:

"I like the Wheatcroft bee on my uniform"

"I love playing in the home corner"

"I love playing with the animals in the small world area"

I like the playdough"

I like jelly for my pudding"

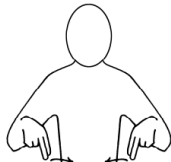

"I liked my apple crumble"

"I like everything"

Makaton Sign of the Week
