

Wheatcroft Primary School  
**News Bulletin**  
Week Ending: 25<sup>th</sup> June 2021

**What we have been up to**

**UKS2**

We completed our Sports Day this week and enjoyed a range of activities: netball shoot, shotput, javelin, skipping, long and triple jump, egg and spoon race to name but a few! We also enjoyed completing our sprints at the end of the event and we were all proud of how well we did.

**KS1**

This half term in PSHE we are thinking about how our bodies change as we get older. This week we looked at what happens as we move into old age. In class we thought about an older friend or relation and what was special about them.

**LKS2**

In LKS2, we spent our Tuesday morning taking part in Sports Day! We went round many different events with our teams and then ran races against each other. We enjoyed; skipping, netball shootout, javelin, discus and long jump.

**Foundation**

We had a lovely afternoon completing our Sports Day. We participated in lots different activities including a bean bag shuttle run, a hoop race, wellie throwing and a running race. We were cheered on by the rest of the school.

## Word of the week

**EYFS:** wait **Y1:** request **Y2:** organised **Y3:** fascinate **Y4:** tension **Y5:** merge **Y6:** negotiate

### Mrs Miller's Message

It has been lovely seeing the enjoyment on children's faces as they have been able to watch their friends participate in our sports days. Our thoughts are with our Year 1 class this week and as they were unable to join in, we have decided to postpone the KS1 events until they return. We will of course let you know who the winning team is when all sports days have been completed.

We had some amazing entries to our PTFA photo competition and we are pleased to announce our winners who will receive a certificate and a prize. Highly Commended goes to Edward, R2; Ethan Y1, Ellie Y3 and Katie in Y6, and the overall winner was Jessica in Y5. Our thanks go to Mr Todd for judging the entries.

### Pupil Voice

Our Year 5 and Year 6 Cohorts took part in a series of Legobot Wars Workshops. The children had work in teams to design and build a robot to compete against others.

This is what they said:

"It was so much fun when we made the robots."

"I enjoyed making the robots fight others and knock them out of the arena."

"It was lovely to have fun outside the classroom."

"It was amazing, thank you."

"I enjoyed the technology."

"The battles were great fun – Girls won our battle."

"I'd love to do it again."

### Makaton Sign of the Week

### Notices

**Reptile Man** – We are sorry to say that due to unforeseen circumstances we are unable to provide this event for the children in EYFS and KS1. So that children have something to look forward to, our teams are planning a special day for them and will be in touch with you soon with details.

**Transition Day** – We are currently still receiving information from local secondary schools regarding this; when we have heard from all of our feeder schools we will be in a position to tell you more. Thank you for your patience.

### Achievement Award Stars!

**R1:** Jasmine F

**Y3/4:** Honey A

**R2:** Ellie S

**Y4:** Kyle C

**Y1:** Alessio C

**Y5:** Sophie G

**Y1/2:** Amy S
