## Pupil Voice

Year 2 pupils have said;

ER: I have enjoyed using the Bee-Bots and giving them instructions.

ES: I have enjoyed maths because I liked counting money.

MS: I liked reading Frog and the Stranger and I wrote my own version.

E-RE: I enjoyed English because we turned a story into our own story.

SL: I enjoyed learning about the life cycle of a plant in science.

## Achievement Awards

## Mrs Miller's Message

Thank you to the parents who were able to come and meet with our school leadership team yesterday; it was a great opportunity to talk together about outcomes from our Ofsted report. Once we have reviewed all the comments we will be in touch to give you further information.

We are looking forward to the upcoming opportunities for you to come into school this term. Next Thursday is our Sats meeting for Year 6 parents led by Mr Harwood & Mrs Levesley-Turner. If you haven't already, please make sure you sign up to be informed around how you can support your child. Next week we will be sending out information for booking onto our parent consultations on 13<sup>th</sup> & 14<sup>th</sup> February. Please also save the date for Friday 15<sup>th</sup> March 9-10:30am where we will be inviting parents in for a workshop around supporting your child with reading. We look forward to welcoming you to these events to continue working together to support our children with their learning outcomes. We have enjoyed celebrating our children's achievements through our awards assembly which takes place on a Thursday morning. Do remember that if your child has achieved an award for anything outside of school, this is a key opportunity for them to share their success with the school so do make sure you send them in with their certificates, medals or trophies on a Thursday.

We wish you all an enjoyable weekend.

## Can you help?

If you have a DBS with the school and can spare some time, please speak to your class teacher about helping within the classroom.

Thank you
