### Mrs Miller's Message

An amazing time was had by all this week as the Early Years shared their achievements through their assemblies, sports day and picnic. I was so proud to watch how far our youngest children have come; they performed confidently and with huge smiles on their faces. Thank you to our Early Years team who are so committed to the welfare and education of our children. It was lovely to welcome so many parents to the event; thank you for joining in with the warm up, clapping and cheering!

Our Summer Fayre was a lovely opportunity for the Wheatcroft Community to come together. Whilst talking with the Mayor, she was so impressed by the welcome she received from our children and was very complimentary about our school. Thank you so much to the PTFA team for working so hard to bring together a brilliant event. We look forward to sharing next year's activities with you soon!

I hope you all have a lovely weekend and look forward to welcoming you into school for our range of events throughout the last 3 weeks of term.
