## Can you help?

Nursery would be grateful for any old pans, baking trays, wooden spoons etc. for their mud kitchen and role play area.

KS2 would love your newspapers please, they will be making papier mache soon!

If you have a current DBS with the school and have a particular creative skill & the confidence to run a club for a group of children please do email your thoughts to our office team!

**We are looking for regular help within our classrooms.**

**This could be to hear readers, mount display work, help support small groups and much more! If you can spare any time across the week on a regular basis, please do speak with your class teacher.**

Thank you

## Mrs Miller's Message

What a lovely way to end our week with our Harvest Festival. We are so proud of our Year 6 cohort as they have taken the time and care to plan and organise this event for our local community. They wrote the invites, organised the food for the foodbank, prepared the plates of sandwiches and cakes as well as sat and chatted with our guests. The children across the school performed brilliantly in front of their very receptive audience and should be very proud of themselves. Thank you to everyone who supported us in different ways from food donations, flower arranging and helping set up the hall we really appreciate your support. And thank you to Mrs Levesley-Turner, the Key Stage 2 team & all our helpers for supporting our Year 6 cohort throughout the preparations. All of the donations received will be collected by our local foodbank to help those in need across our community. Thank you to everyone who has supported us.
