Mrs Miller's Message

Starting school is a huge milestone for children and their families and I am so proud of how settled our Reception children are. Thank you to our Reception parents who took the time to complete our survey, which celebrates how successful our transition into Reception has been for our children.

"The starting school workshop was really informative."

"It was helpful to see the school environment & the quality of the food."

"The phonics workshop helped me continue my child's learning at home."

"My child loves school & seems to be learning well & making friends."

"The teacher is really positive & encouraging."

"The school has the warm community feeling we were hoping for."
