### Mrs Miller's Message

What another busy week it has been with a particular focus on girls' football! Wednesday saw our Year 6 girls take part in a football day at Chauncy, which was a great success; some returning with certificates for their team efforts. Well done to the girls in KS2 who were chosen to take part in the girls' district football event this week alongside other local schools.

It was lovely to see such a range of costumes for our World Book Day and the children got great joy from purchasing books at our PTFA book sale. Thank you to the team of parents who were able to give their time to support our children buy new books. We hope that Mother's Day this Sunday brings time for families to come together and is a relaxing day for all our Mums.

### Staffing Update

After 11 years working at Wheatcroft, Mrs Bik-Elliott will be leaving us on Wednesday 13<sup>th</sup> March. We will be very sorry to see her go but wish her every success in her new appointment at another school. Mrs Bik-Elliott has worked with a number of children throughout her time at Wheatcroft and has been a great asset to our team of Teaching Assistants & MSAs. We thank her for all the time and dedication she has given to our school over the years.

This term, Miss Sharpner has joined our Teaching Assistant and MSA teams. She has been working with children across the school and we are very pleased to welcome her to the Wheatcroft school community.

### Date for your Diary

#### Reading Meeting for Parents

**9:00-10:30am Friday 15th March**

Please click [here](#) to sign up for our reading workshop open to all parents. A great opportunity to hear from the English team at HfL Education. Designed to support you in promoting reading for pleasure at home and to make small changes that can instil a lifelong love of reading and books. We will also be joined by The Book Nook shop, who will be supplying a range of free resources and have a range of books on sale for you to explore and purchase if you wish.

### Notice

We have been informed that Openreach will be undertaking work next week on the pathways alongside the school. There will be temporary traffic lights and walkway diversions. You may wish to allow extra time for your journey.
