

What we have been up to

UKS2

In amongst all the snowy fun, UKS2 have been busy making their hats for Christmas dinner. We are very proud of our festive creations!

LKS2

In Year 3, we have been learning how to use column subtraction. We learnt how to exchange which can be tricky but is useful.

KS1

In Art, we made these lovely snowman Christmas cards from our hand print and then added the features. We hope our family like them and wish you all a very happy Christmas.

Foundation

We really enjoyed our Christmas lunch this week. We decorated a Christmas tree and made a hat to wear when we were eating lunch.

Mrs Miller's message

Despite the extreme snow this week and having to close on Monday, we haven't let this stop us keeping our school open for the remainder of the week and busy with many Christmas events. Thank you to everyone who has picked up a snow shovel or helped to spread salt around the site to ensure we keep it safe and clear for everyone. On Wednesday, the Christmas dinner was very well received by all children and staff! A huge thank you goes to Shuk and her excellent team for working so hard to make it such a success. Our Key Stage 1 children performed brilliantly in their first ever public performance of 'I'm Gonna Shine'. We look forward to sharing this again with more of you on Monday of next week. Attached with this newsletter are some winter safety messages we have been asked to share with you from the RLSS. Please take some time to read and share the information as appropriate. We wish you all a safe weekend and hope we have a slightly warmer last week of term next week.

Pupil Voice

We asked Y4: What does Christmas mean?
Eddie - It is time to spend with my family, give presents and eat nice food.
Connor - Being happy, spending time with my family and eating nice food.
Amelie - time to spend with family and a time to be cosy together whilst it's cold outside.
Zara - Spending time with my parents because they don't have to work on Christmas day.
