Can you help?

If you have a current DBS with the school and have a particular creative skill & the confidence to run a club for a group of children please do email your thoughts to our office team!

We will soon be organising a 'grounds day' to tidy up some of the areas outside which will involve some bench fixing, gardening and painting of various areas. If you feel you have the skills to help or your workplace offers Community Days with this do let us know. Thank you

Mrs Miller's Message

Thank you to those who have been in touch with suggestions of sports clubs we do appreciate these messages and are moving forward on this. Our next step is to try to arrange a wider range of clubs particularly creative clubs. If you have any skills in this area, can spare some time and have a current DBS please do contact the school office. These clubs can happen during lunch times or after school.

Thank you to those who were able to attend our parent meetings. If you have not yet received the paperwork from these, please check with your child's teacher. We hope that our new way of sharing dates with you has been helpful and that you have put the key Autumn dates in your calendars.

I am looking forward to taking the year 5 children to camp next week and keeping everything crossed that the weather is kind to us! We look forward to sharing our trip with parents in our assembly on Friday 13th October.
