Sign of the week

Can you help?

Nursery would be grateful for any old pans, baking trays, wooden spoons etc. for their mud kitchen and role play area.

KS2 would love your newspapers please, they will be making papier mache soon!

If you have a current DBS with the school and have a particular creative skill & the confidence to run a club for a group of children please do email your thoughts to our office team!

We are looking for regular help within our classrooms.

This could be to hear readers, mount display work, help support small groups and much more! If you can spare any time across the week on a regular basis, please do speak with your class teacher.

Thank you

Mrs Miller's Message

I would like to take this opportunity to say a thank you on behalf of the whole school community to Mrs Sparks our Chair of Governors who will be stepping down as her term of office comes to an end. Mrs Sparks has been Chair since 2019 and supported the school and leadership through a very busy and eventful 4 years; we thank her for her commitment and support during this time. In the interim, Mrs Adler our experienced Vice Chair will be leading our Governors.

A message from Mrs Sparks: *As my term of office is coming to an end I have decided to step down as Chair and Governor at Wheatcroft. The last few years have been very difficult for all schools with the pandemic and the aftermath it caused! It has been a real privilege to be on the Governing board at Wheatcroft. We are all volunteers and we become Governors because we feel passionate about education and care about all stakeholders in the establishment we support. This term there are many new faces in the school and I wish them well as they settle into their new roles. Thank you all for your continuing support of the school.*
